## Welcome to Amrita Institute, Kochi

AumNamahShivaya!

It is a pleasure to invite you all for the Amrita Center for Neuroendoscopy & Neuroendoscopy Society of India (NESI) Midterm Cadaver skull base Endoscopy Workshop, Mini symposium, and Live spine endoscopy surgery being held from 30th September to 1st October 2023 at Kochi, India. Our Chancellor Mata Amritanandamayi Devi says “Education should spread light within and without, instil awareness and strengthen the deep bond between the student and his nation, the world, his fellow human beings and other creatures, Nature and God. “ True to this message may this educational course spread the knowledge and pave the way for best clinical practices, multidisciplinary collaboration and bring forward the technical advances and innovations in the field of Neuroendoscopy.

Advances in medical management and availability of these latest technologies have huge impact on human life. Sharing knowledge and experience through this program will help in appropriate use of the technologies for the benefit of mankind.

May best wishes for the program.
