

TRANSFORMED FROM ISONE SINCE 2001

International
Federation
of Neuroendoscopy

12th Anniversary Conference of
Neuroendoscopy Society, India

**NEURO
ENDOCON 2026**

Pre Conference Workshop

Thursday 26th March, 2026

Conference

27th & 28th March, 2026

Venue:

SMS Medical College, Jaipur

Department of Anatomy

Venue:

Hotel Royal Orchid, Jaipur

Tonk Rd, Durgapura, Jaipur- 302018

Rajasthan

"Organized by :

RAM DULARI BANSAL WELFARE SOCIETY

DAY 1

DATE : 26TH MARCH 2026,

SMS MEDICAL COLLEGE, JAIPUR

TIME : 10:00 AM TO 05:00 PM

A - CRANIAL

TIME	TOPIC	MASTER DISSECTORS
Table Master : Rijuneeta Gupta, Kosaku Amano, Amol Raheja, Dwarakanath Srinivas, Abhay Kulkarni, Rajesh Chhabra		
08:00 AM - 08:10 AM	Introduction & Welcome	Manish Agrawal
08:10 AM - 08:20 AM	How to Enter Sella	Ashis Pathak, Suresh Sankhla
08:20 AM - 08:30 AM	Intra-sellar Decompression in Normal Anatomy	P. Sarat Chandra, Amol Raheja
08:30 AM - 08:45 AM	Entering Sella in morbid anatomy	Vasundhara Rangan
08:45 AM - 09:00 AM	Extended Endonasal Endoscopic Approach	Prakash Nair
09:00 AM - 09:30 AM	Medial Cavernous Wall Clearance (Knosp Grade 3/4)	Ashish Suri
09:30 AM - 09:45 AM	Participants Hands-on - Exoscope Skull Base Practice	Vernon Velho
09:45 AM - 10:00 AM	Key Hole Kawase	Sumit Sinha
10:00 AM - 11:00 AM	TONES (trans-orbital neuro-endoscopy surgery)	Awdhesh Jaiswal Jaskaran Ghosal
11:00 AM - 12:00 PM	CP ANGLE/Ventricular endoscopy / Practice by Participants	Samer Elbabaa
01:00 PM - 02:00 PM	Lunch - working lunch	
02:00 PM - 05:00 PM	Practice	

B - SPINAL

TIME	TOPIC	MASTER DISSECTORS
Table Master : Subodh Raju, Rashim Katariya, Sai Kalyan Savarapu, Hemant Beniwal, Cristian Gragnaniello, Jitendra Shekhawat		
08:00 AM - 08:15 AM	Maintenance of Endoscope	Anupam Tomar
08:15 AM - 08:30 AM	Spine Session - interlaminar tran-foraminal	Likhith Alakandy
08:30 AM - 08:45 AM	Mono-portal Interlaminar lumbar endoscopic techniques	Dattaraj Paramanand Sawarkar Jayesh Sardhara
08:45 AM - 09:00 AM	UBE (Unilateral Biportal Endoscopy)	Atmaranjan Dash
09:00 AM - 09:15 AM	Post Cervical Monopolar Endoscopic Discectomy	Rakesh Kumar Luhana
09:15 AM - 01:00 PM	Practice	

DAY 2
DATE : 27TH MARCH 2026,
CRYSTAL HALL

08:00 AM - 09:15 AM	Contributory Session	8 Minutes Each
Moderators : Mahesh Kuriyal, Likhith Alakandy , Achal Sharma, Ashok Patel		
	Optimum type and duration of prophylactic antibiotics following endoscopic trans nasal trans sphenoidal pituitary surgery	Binoy Kumar Singh
	Endoscopic Disc preserving cervical spine surgery.	Mukesh Sharma
	Endoscopic assisted lateral Skullbase surgery- Optimising outcome	Nimesh Patel
	Endoscopic lateral Transorbital Approaches: Choosing the right view.	Nishanth Sadashiva
	Posterior Cervical Monoportal Endoscopic Discectomy.	Rakesh Kumar Luhana
	Comprehensive surgical management of Neonatal hydrocephalus	Ramesh Teegala
	Inside two portals: From vision to precision in UNILATERAL BIPORTAL SPINE ENDOSCOPY	Sai Kalyan Savarapu
	Novel technique of primary Dural Closure Following Endoscopic Intradural extramedullary Tumor Excision	Saraj Kumar Singh
09:15 AM - 10:00 AM	Award Paper	7 Minute Each
Judges: Sanjay Kumar, Sarat Chandra, Fuminari Komatsu, Apinderpreet Singh, + Off the Chair - Artur Cunha, Deepak Agarwal		
	Endoscopic Endonasal Management of Craniopharyngiomas: A 10-Year Single-Center Experience	Abhishek Latish Shetty
	Outcomes of Preoperative Endoscopic Third Ventriculostomy in Posterior Fossa tumors with Hydrocephalus	Kshitij Raj Mahajan
	Surgical endoscopic endonasal anatomy of transpterygoid approach : a cadaveric study	Meghana K S
	Endoscopic Management of Unusual Sellar Pathologies	Raghavendra G.Pattar
	Coexistence of Two Rare Complications: Late-Onset Failure of Endoscopic Third Ventriculostomy Presenting as Neurogenic Pulmonary Edema in a Child with Dandy-Walker Malformation	Sarthak Dhuliya
	Modern Endoscopic Perspectives: The Supracerebellar Infratentorial Approach To Deep Intracranial Lesions	Soumen Kanjilal
	Outcomes of Endoscopic Transsphenoidal Pituitary Surgery in Patients with Cushing's Disease: A Retrospective Review	Vartika Gupta

DAY 2
DATE : 27TH MARCH 2026,
CRYSTAL HALL

10:00 AM - 11:15 AM	Plenum - I HYDROCAPHALUS	15 Minutes Each
Moderators : Anand Balasubramaniam, Ramesh Teegala, Pankaj Arora, Manish Agarwal		
	Aqueductal Stents for Isolated Fourth Ventricle: Efficacy and Long term outcome	Aaron Mohanty
	A multicentre randomised trial of endoscopic v/s shunt treatment for infant hydrocephalus- an update	Abhaya Kulkarni
	Choroid Plexus Coagulation: Updates	Artur Henrique Galvao Bruno Da Cunha
	ETV versus ETV/CPC for the management of hydrocephalus in the fetal intra-uterine repair Myelomeningocele patient population.	Samer Elbabaa
	Choroid plexus fulguration - role of laser and flexible neuroendoscope as an adjunct	Subodh Raju
11:15 AM - 12:30 PM	Plenum III - MASTERS OF MASTER GLAND	12 Minutes Each
Moderators : Hemant Bhartiya, Vinod Sharma, Raghvendra Singh Choudhary, Hemant Beniwal		
	Pituitary Adenomas: Surgical Nuances and Pearls	Ashish Suri
	Current endoscopic Transsphenoidal Surgery for Pituitary Tumors.	Kosaku Amano
	Challenges of endoscopic endonasal skullbase surgery in young children	Prakash Nair
	Arachnoid Preservation In Tnts Pituitary	Rajesh Chhabra
	Endoscope-Controlled versus Endoscope-Assisted Microsurgical Resection of Pineal Region Tumors.	Samer Elbabaa
	Instrument Selection and Dissection Techniques in Endoscopic Neurosurgery	Tadashi Watanbe
12:30 PM - 01:15 PM	Presidential Oration	45 Minutes
Moderators : Sumit Sinha, Subodh Raju, K K Bansal, Suresh Sankhla		
	Breaking barriers - Moving beyond barriers	P Sarat Chandra
	Introduction of President	Sumit Sinha
Felicitation By Samer Elbabaa, Joechim Oertel		

DAY 2
DATE : 27TH MARCH 2026,
CRYSTAL HALL

01:15 PM - 02:00 PM	Lunch - Green Lawn	
02:00 PM - 03:00 PM	Video Session - The Pixel Perfect	5 Minutes Each
Moderators : Sanjeev Chopra, Sharad Pandey, Fuminari Komatsu, Abhay Kulkarni		
	Unilateral Biportal Endoscopic Posterior Cervical Foraminotomy for a Calcified Disc with a Conjoined Cervical Nerve Root	Ashutosh Kumar
	Endoscopy for Giant Pineal Tumors	Dhandapani S S
	UBE for lumbar canal stenosis	Dwarakanath Srinivas
	Management of intraoperative bleeding while doing Cranial endoscopic intraventricular procedures	Harsh Deora
	Flopping floor - Relieved Surgeon, Rejoicing Patient- Controlled Complications, and Eventual Triumph	K K Bansal
	Extended endonasal resection of a large calcified craniopharygioma	Parkash Nair
	Endoscopic cysto Cisternostomy for giant arachnoid cysts	Pragyan Sarma
	Endoscopic Transnasal Transsphenoidal Bilateral Optic Nerve Decompression for Craniofacial Fibrous Dysplasia: A Surgical Video	Sampada Wankhede
	Endonasal Endoscopic Excision of recurrent Clival Giant cell tumor	Sushant Sahoo
	Laser In Cranial Endoscopy	Syed Ameer Basha Paspala
	Unilateral Biportal Endoscopic Spine Surgery: The Modern Evolution of Conventional Spine Techniques	Yogesh Gupta
	Extended Endoscopic Endonasal Contralateral Approach To Orbital Tumour	Yogesh M Sawakare
03:00 PM - 04:00 PM	Plenum -V SPINE - Do more from less	12 Minutes Each
Moderators : Gap Singh, Harsh Deora, Ravi Shankar, Satnam Singh		
	Endoscopic transforaminal approach for complex problems, a new solution	Cristian Gragnaniello
	Cervical interlaminar endoscopy; expanded horizons	Jayesh Sardhara

DAY 2
DATE : 27TH MARCH 2026,
CRYSTAL HALL

	Spine endoscopy and fusion! Does it make sense?	Joachim Oertel
	A dream come true - Journey of establishing a full endoscopic spine surgery unit in an Govt Institution	Kodeeswaran Marappan
	From Open to Endoscopic: The Changing Landscape of Spine Surgery	Likhith Alakandy
04:00 PM - 04:30 PM	Panel discussion	
Panellist : Jayesh Sardhara, Anand Balasubramaniam, Praksah Nair, Ashish Suri		
	Treatment strategies for residual/Recurrent pituitary tumours	Apinderpreet singh
04:30 PM - 06:00 PM	Plenum VII - Extended Endonasal - Do more from less	13+2 Minutes Each
Moderators : Jaskaran Gosal, N C Poonia, Masahiro Shin, Sushant Sahoo		
	Interoerative MRI For Complication Avoidance in the Extended Endoscopic approach for Pituitary Skullbase Gaint Invasive Tumors	Bagathsingh Karuppanan
	extended endoscopy for cavernous sinus invasion in Pituitary adenoma	Dwarakanath Srinivas
	Comprehensive Strategies for Preventing CSF Leakage in Transsphenoidal Surgery	Kosaku Amano
	Optic nerve Sheath fenestration in Idiopathic Intracranial Hypertension	Rijuneeta Gupta
	Extended approach to sellar region	Vernon Velho
	EEE Trans pterygoid approaches for extensive skull base lesions	Yerramneni Vamsi Krishna
06:00 PM - 06:30 PM	Quiz - Quiz Masters - Parkash Nair, Jitin Bajaj + Moderators - Sumit Sinha, Yerramneni Vamsi Krishna	
06:30 PM - 07:00 PM	GBM	
08:00 Onwards	Inauguration Followed By Cultral Evening/gala Dinner In Crystal Hall	

DAY 2

**DATE : 27TH MARCH 2026,
TIGER TRAIL HALL**

08:00 AM - 09:15 AM	Contributory Session	8 Minutes Each
Moderators : Parmod Jain, Shishir Jaiswal, Jaideep Chandra, Subodh Jain, Samer Elbabaa		
	Hemorrhagic Ventricles in Endoscopic Third Ventriculostomy: A Management-Oriented Approach	Anand Sharma
	One Trajectory, Two Targets: Endoscopic Third Ventriculostomy and Cystoventriculostomy for a Retrocerebellar Arachnoid Cyst	Apoorva Joshi
	Transnasal Endoscopic Approach To Pontine Tumor	Dhiraj Poonia
	Endoscopic spinal decompression using "Endospine plus" for lumbar canal stenosis ; short, long term outcomes and lessons learnt	Divyam Sharma
	Enhanced recovery after surgery (ERAS) protocol for endonasal endoscopic approach to pituitary adenomas.	Gaurav Tyagi
	Illustration of TNTS endoscopic anatomy in relation of Radiological Anatomy	Hemant Beniwal
	Percutaneous Endoscopic Lumbar Discectomy: Surgical Techniques and Patient Selection Criteria	Mohana Rao Patibandla
	The Endonasal Endoscopic Management of CSF Rhinorrhea	Pawan Goyal
09:15 AM - 10:00 AM	Award Paper	7 Minutes Each
Judges: Tadashi Watanbe, Rajesh Chhabra, Roopjyoti Hazarika, Prakash Nair, Off The Chair - Dattaraj P. Sawarkar, Deepak Singh		
	Role Of Intrathecal Fluorescein Dye in Endoscopic Management of CSF Rhinorrhea	Debabrata Patra
	Endoscopic Medial Transorbital and Endonasal Multiport Approach for Complex Skull Base Pathologies: A Case Series	Himanshu Prasad
	Endoscopic Suturing of Skull Base Dura and its Effectiveness in Preventing CSF Leak	Ikraj Singh
	Endoscopic Lateral Transorbital Approach for Cranio-Orbital Lesion in an Infant: A Technical Case Report	Karthik J S
	Trans Nasal Trans Sphenoidal Endoscopic Excision of Sellar SOL - A Retrospective Analytical Study	Madhan Singaravelu
	Silent Corticotroph Adenomas Exhibit Aggressive Behavior Among Non-Functioning Pituitary Adenomas: A Retrospective Analysis of 325 Patients	Sampada Wankhede
	Saraj Retractor - A novel retraction device for Endoscopic excision of deep seated intracranial pathologies	Saraj Kumar Singh
	Skull base repair after Endoscopic endonasal surgeries without the use of fibrin glue: A Two-Year Institutional Experience	Saurabh Suresh Lihitkar

DAY 2

DATE : 27TH MARCH 2026,
TIGER TRAIL HALL

10:00 AM - 11:00 AM	Plenum II - Tic Dolorosa	15 Minutes Each
Moderators : Ashish Goyal, Sumit Sinha, Ashok Gandhi, Yerramneni Vamsi Krishna		
	Endoscopic Microvascular Decompression with Transposition Technique: A Paradigm Shift in Microvascular Decompression Surgery	Fuminari Komatsu
	Endoscopic Microvascular Decompression of Trigeminal Nerve	Jitin Bajaj
	Microvascular Decompression for Trigeminal Neuralgia: Surgical Technique in Myriads of pathologies	Mohana Rao Patibandla
	Endoscopic assisted microvascular decompression for hemifacial spasm..	Rakeshkumar Luhana
11:00 AM - 12:30 PM	Plenum IV - BOSS-RECONSTRUCTION/REPAIR	20 Minutes Each
Moderators: Arun Tungria, Sharad Thanvi, Amanjot Singh		
	Endoscopic Endonasal Skull base repair with bioresorbable scaffold	Chaiyot Siangprasertkij
	Novel Skull Base Reconstruction Technique for CSF Leaks Post Endoscopic Surgery	Deepak Agrawal
	Dural Repair after Endoscopic Skull Base Surgery	Satnam Singh
	Management of CSF rhinorrhoea	Vernon Velho
12:30 PM - 03:00 PM	Oration in Crystal Hall & Lunch	
03:00 PM - 04:30 PM	PLENUM VI - MASTERS OF MASTER GLAND	10 Minutes Each
Moderators : Prabhu Raj, Soumen Kanjilal, Vandan Rajvani, Rijuneeta Gupta		
	Pituitary apoplexy- de novo vs residual tumour bleed- different aspects of management	Apinderpreet Singh
	Endonasal Endoscopy for Knosp 4 Cavernous ICA Encasement	Dhandapani S S
	Endoscopic management of large and giant pituitary adenoma	Kamlesh Bhaisora
	Endoscopic Resection of Pituitary Microadenomas: Precision Surgery with Augmented Imaging	Mohana Rao Patibandla
	Use of multiple toys make transsphenoidal pituitary adenoma surgery safer	Nemi Chand Poonia

DAY 2

**DATE : 27TH MARCH 2026,
TIGER TRAIL HALL**

	Avoiding Complications in Endoscopic Trans-Sphenoidal Surgery for Pituitary Adenoma	Rajkumar P R
	Pituitary Transposition via a Transnasal Endoscopic Approach: Key Anatomy and Technical Pearls	Ramanadha Reddy Kanala
	Endoscopic management of Sellar - Suprasellar Arachnoid Cysts	Vasundhara S Rangan
	Endoscopic giant pituitary tumour surgery - challenges	Vikram Karmarkar
04:30 PM - 06:00 PM	Plenum VIII - Trans-Cranial Telescopy	15 Minutes Each
Moderators: Vasundhara S Rangan, Kaushik Sil, Ghanshyam Agrawal, Rohit Babel		
	Management of Intra-ventricular tumours	Artur Henrique Galvao Bruno Da Cunha
	Pure Endoscopic Parenchymal Tumour Excision	Ashis Pathak
	Intraventricular endoscopy over 15 years! – Analysis of a single center!!	Joachim Oertel
	Keyhole approach for petroclival meningiomas; Keyhole approaches to skull base- has t era of traditional Skullbase exposures gone ?	Sumit Sinha
	Endoport-assisted endoscopic removal of deep brain lesions	Suresh Sankhla
	Fourth ventricular glioma via trans-foraminal trans-Aqueduct approach	Suyash Singh

DAY 3
DATE : 28TH MARCH 2026,
CRYSTAL HALL

08:00 AM - 09:15 AM	Contributory Session	8 Minutes Each
Moderators : Vivek Vaid, Gaurav Jain, Ravi Ranjan, Cristian Gragnaniello		
	Sinonasal Outcomes after trans-nasal surgery for pituitary adenomas	Adesh Shrivastava
	CSF rhinorrhea post treatment in prolactinoma - Incidence and management options	Arivazhagan A
	Kilpauk keyhole Craniotomy, Evacuation of SDH and Endoscopic inner membranectomy	Kodeeswaran Marappan
	Predictors of Complications and Recurrence After Endoscopic Repair of Post-Traumatic CSF Rhinorrhoea	M Siva Prasad
	Assessment of Outcomes of Endoscopic Discectomy for Lumbar Disc Herniation: A Prospective Observational Study	Prabhakar Kumar Singh
	Uncommon lesions of the sella/ suprasellar regions	Shyam Sundar
	Minimally Invasive Endoscopic Options for the Super-Aged Patients	Tadashi Watanbe
	Evaluating clinical and endoscopic surgery using mononostril approach	Tanmay Trivedi
09:15 AM - 10:30 AM	The Open Forum	12 Minutes Each
Moderators : Shyam Sundar, Shikhil Uppal, Rashim Kataria, Rajesh Chhabra		
	Recurrent Trigeminal neuralgia Reexplorative difficulties	Bharath Singh Naik
	Endoscopic endonasal odontoidectomy	Cristian Gragnaniello
	Extended Skull Base Approach - Clinical Landmarks	Jayesh Sardhara
	Putting Neuro endoscope in light of bhagawad gita for successful life	Praveen Tripathi
	Extended endonasal approaches for craniopharyngioma	Roopesh Kumar VR
	Extended endoscopic endonasal approach versus transcranial microsurgery for gross total resection of Craniopharyngiomas: Our experience	Santanu Kumar Bora

DAY 3

**DATE : 28TH MARCH 2026,
CRYSTAL HALL**

10:30 AM - 11:00 AM	Colloid Cyst	15 Minutes Each
Moderators : Pankaj Gupta, Ashutosh Kumar, Komal Prasad, Jitendra Shekhawat		
	Colloid Cyst-Endoscopic Surgery is trending back to Microsurgery?	Hemant Bhartiya
	Complication Avoidance in Endoscopic Excision of Colloid Cyst"	K K Bansal
11:00 AM - 11:30 AM	Plenum XI - TONES	15 Minutes Each
Moderators : Dwarakanath Srinivas, Cristian Gragnaniello, Prakash Nair, Uday Bhowmik		
	Trans Orbital Neuro Endoscopic Surgery (TONES) for skull base lesions	Awadhesh Jaiswal
	Anatomical roadmap for TONES and complications of TONES	Deepak Bhangale
11: 30 AM - 12:30 PM	Vision of Future - Quo Vadis in Year 2035	15 Minutes Each
Moderators : Deepak Bhangale, Awadhesh Jaiswal, Pragyan Sharma, Ugan Singh		
	Future of Endoscopes and Visualisation in Neurosurgery	Deepak Agrawal
	Future Awaits	Komal Prasad
	New era of scope guided minimally invasive neurosurgery: Recent revolution of endoscopic and exoscopic neurosurgery from Generation Z to X	Masahiro Shin
	A Decade of Experience with the Exoscope: Evolution Without Resolution?	Vijay Parihar

DAY 3

**DATE : 28TH MARCH 2026,
CRYSTAL HALL**

12:30 PM - 01:30 PM Lunch - Green Lawn		
01:30 PM - 02:15 PM	ETV - BYPASSING THE OCCLUSION -1	15 Minutes Each
Moderators: Rajneesh Kachhara, Deepak Agrawal, Mukesh Bhaskar, Aaron Mohanty		
	The ETV Success Score: An Update	Abhaya Kulkarni
	Endoscopic Management of Idiopathic Foramen of Monro Stenosis	Prabhu Raj
	When ETV is Difficult: Lessons From Challenging Endoscopic Third Ventriculostomies	Vijay Parihar
02:15 PM - 02:45 PM	Hydrocephalus - 2	10 Minutes Each
Moderators : Abhaya Kulkarni, Ramesh Teegla, B L Bairwa, Ritu Gaur		
	Endoscopic challenges in Multiloculated Hydrocephalus	Kaushik Sil
	Role of flexible neuro endoscopy in management of hydrocephalus our experience in	Ramesh Shighakolli
	Endoscopic management of Infective Hydrocephalus.	Sushant Sahoo
02:45 Onwards	Valedictory & High Tea	

DAY 3

DATE : 28TH MARCH 2026,

TIGER TRAIL HALL

08:00 AM - 09:00 AM	Nascents	8 Minutes Each
Moderators : Rohin Bhatia, Vasant Dakwale, Sankalp Bhartiya, Jayesh Sardhara		
	Integrating Artificial Intelligence into Neuroendoscopy: A Practical Framework for Clinical, Training, and Predictive Applications	Aanchal Datta
	Endoscopic Evacuation Of Acute Sdh	Amit Deol
	Extended Endonasal approach for Tuberculoma sellae meningioma- Technical Nuances	Nimesh Patel
	Endoscopic excision of planum meningioma	Roopesh Kumar VR
	Delayed Subarachnoid Haemorrhage In Post-Operative Case of Pituitary Macroadenoma	Shikhil Uppal
	Modern Endoscopic Perspectives: The Supracerebellar Infratentorial Approach to Deep Intracranial Lesions	Soumen Kanjilal
	Endoscopic release of carpal tunnel	Yogesh M Sawakare
09:00 AM - 10:00 AM	Plenum IX - UBE	15 Minutes Each
Moderators : Sundar, Rakeshkumar Luhana, Subodh Raju, Gaurav Verma		
	UBE Unbound: Exploring New Frontiers	Ashutosh Kumar
	Midline Biportal Endoscopy: An Advanced Evolution of Unilateral Biportal Endoscopy for Multilevel Lumbar Canal Stenosis in the Elderly	Atamranjan Dash
	Navigation assistance in UBE - time matters	Suyesh Singh
	UBE endoscopic cervical lamino foraminotomy	Tirumal Yerragunta
10:00 AM - 11:30 AM	Plenum X - ETV - BYPASSING THE OCCLUSION -1	12 Minutes Each
Moderators: Vasant Dakwale, Cristian Gragnaniello, Adesh Shrivastava		
	Neurocysticercosis - How does endoscopy make treatment better and simpler?	Arivazhagan A
	Fourth Ventricular Outlet Obstruction, Role of Endoscopic Third Ventriculostomy	Gaurav Tyagi
	Anaesthetic management of endoscopic third ventriculostomy	Madhusudan Reddy

DAY 3

**DATE : 28TH MARCH 2026,
TIGER TRAIL HALL**

	Secondary ETV: Effective alternative to shunt revision	Rajneesh Kachhara
	Complication avoidance in ETV: Tips and tricks	Pragyan Sharma
	Complex Hydrocephalus - Management strategies	Subodh Raju
	Secondary ETV	Vikram Karmarkar
11:30 AM - 12:00 PM	Sundry Matters	10 Minutes Each
Moderators: Dwarakanath Srinivas, Joachim Oertel, Subodh Raju, Arivazhagan A		
	Endoscopic synostectomy	Aaron Mohanty
	Robotic Endoscopy - Its nuances	Ayyadurai R
	Optimising Outcomes in Pituitary tumors : Endoscopic Versus Intracranial Approaches	Virendra Deo Sinha
12:00 PM - 04:00 PM	E-Poster	
Judges : Samer Elbabaa, Deepak Gupta, Vasundhara Rangan, Deepak Agarwal, Dwarkanath Srinivas		
	Uniportal Interlaminar Endoscopic Management of Lumbar Radiculopathy	Abhishek Latish Shetty
	Endoscopic Endonasal Management of Pediatric Craniopharyngioma in Non-Pneumatized Sphenoid Sinus	Abhishek Shukla
	Our experience of endoscopic evacuation of ICH and IVH	Akansha Tanwar
	A rare case of arachnoid cyst	Alagar Raja R
	Role Of USG in Endoscopic Evacuation of Hypertensive IC Bleeds	Debabrata Patra
	Endoscopic Evacuation of Spontaneous Intracerebral Hemorrhage: A Retrospective Study of 106 Cases in a Single-Center Experience	Foram Mehta
	Seeing beyond the microscope: Endoscopic-assisted resection of CP angle tumor	Harshita Debbarma
	Endoscopic Multiport Medial Transorbital and Endonasal Repair of Recurrent Cerebrospinal Fluid Rhinorrhea from a Middle Cranial Fossa Defect: A Case Report	Himanshu Prasad

DAY 3

DATE : 28TH MARCH 2026,

TIGER TRAIL HALL

	Complications of Cranial Neuro Endoscopy	Jasveer Singh
	Endoscopy to the rescue : A confounding case of post operative deterioration	M. D. Krishna Narayanan
	Role of ERAS in Endo nasal skull base surgeries	Manbir Kaur
	Colloid Cyst-an Esoteric Diagnosis	Meghna Singh Singhal
	Transnasal Endoscopic Surgery for Suprasellar Meningiomas	Prasheel Kumar Premnarayan Gupta
	Rare Case : Trans-orbital Penetrating Intracranial Injury (TOPI)	Praveen R
	Medial wall of Cavernous Sinus excision in Functional Pituitary Neuroendocrine Tumours	Premchand Kalari
	Endoscopic third ventriculostomy	Rahul Agarwal
	PIPE-307- Unlocking remyelination in Multiple sclerosis	Sadaf Khan
	Our Experience of Endoscopic Third Ventriculostomy Consecutive 40 Cases at a Rural Hospital in North India	Sajag Kumar Gupta
	Expecting the Routine, Confronting the Rare: Artery of Percheron Infarction After Endoscopic Transnasal Transsphenoidal Pituitary Surgery	Sakthivel S
	A Rare Pediatric Skull Base Fibro-Osseous Tumor: Endoscopic Transnasal Resection of Bilateral Spheno-Ethmoidal Cemento-Ossifying Fibroma	Sampada Wankhede
	Clinical and radiological outcome of Endoscopic transventricular colloid cyst excision	Saurabh Patel
	Primary Intradural Extramedullary Ewing Sarcoma of the lumbar spine presenting as Acute neurological deficit in a young athlete - A rare case report	Srinivaskumar Gunasekaran
	NeuroSurgLang: A Python-Based Domain-Specific Language for Interpretable Brain Network Simulation in Computational Neurosurgery	T. Naveen Keerthi
	Postoperative Lumbar Drain Usage and Hypopituitarism in Endoscopic Surgery for Cushing's Disease	Viraj Narola
